

Marketplace Application Checklist

Use the checklist below to help you gather what you need to apply for coverage.

- Home and/or mailing addresses for everyone applying for coverage.
- Information about everyone applying for coverage, like addresses and birth dates.
- Social Security Numbers.
- Information about the professional helping you apply (if you're getting help completing your application). Visit HealthCare.gov/help/whos-helping-me-complete-my-application for more information.
- Document information for legal immigrants. Visit HealthCare.gov/help/immigration-document-types for more information.
- Information on how you file your taxes.
- Employer and income information for every member of your household (for example, from pay stubs or W-2 forms—Wage and Tax Statements). Visit HealthCare.gov/income-and-household-information/income to learn more about what types of income to include and not include.
- Your best estimate of what your household income will be in 2018. Visit HealthCare.gov/income-and-household-information/how-to-report for help estimating your income.
- Policy numbers for any current health insurance plans covering members of your household.
- A completed "Employer Coverage Tool" for every job-based plan you or someone in your household is eligible for. (You'll need to fill out this form even for coverage you're eligible for but don't enroll in.) Visit HealthCare.gov/downloads/employer-coverage-tool.pdf to view or print the tool.
- Notices from your current plan that include your plan ID, if you have or had health coverage in 2017.
